## Chapter 1 by Theo

Many out of the ordinary things happen each day, people disappearing, mysterious craters in the ground, ghost sightings. My name is Rebbeca Jones-7 year Houston Deputy, prepare yourself for what you are going to hear. It was June 4 when they first landed, it was very hot that day almost 103 degrees, abnormally hot. Not many noticed when they landed but it was unique. A flash of light, slight tremors on the ground and their here. Nothing that big... at least big enough for someone to think of it as an extra-terrestrial landing. Enough with the chit-chat, I'm going to tell you the story of what started on June 4 and changed humanity forever.
